RE: Patient: **Shirley Pena**
Date of birth: 1967-12-31

Dear Colleague,

Thank you for seeing this patient, whom I am referring to your practice for evaluation and ongoing care.

The patient is referred for this reason: New heart murmur. The priority I have assigned to this referral is routine.

The patient knows about this referral and expects a call from your scheduling staff. Please send your findings to our office when the visit is complete.

Sincerely,

Brittany Estrada, NP
