RE: Patient: **Michelle Sanders**
Date of birth: 1949-10-31

Dear Colleague,

Thank you for seeing this patient, whom I am referring to your practice for evaluation and ongoing care.

I would value your assessment of the following problem: Abnormal mammogram follow-up. The urgency of this referral is routine.

The patient knows about this referral and expects a call from your scheduling staff. Please send your findings to our office when the visit is complete.

Sincerely,

Terry George, MD
Granite Fork Internal Medicine
