RE: Patient: **Diane Brown**
Date of birth: 1950-08-29

Dear Colleague,

Thank you for seeing this patient, whom I am referring to your practice for evaluation and ongoing care.

I would value your assessment of the following problem: Post-fracture rehabilitation. The urgency of this referral is routine.

The patient knows about this referral and expects a call from your scheduling staff. Please send your findings to our office when the visit is complete.

Sincerely,

Joyce Voss, MD
Juniper Flats Eye and Ear
